

CALL FOR ARTISTS

You are invited to submit works for a juried exhibition at WPA Gallery titled Transformation, April 12- May 24, 2019

The local Burning Man Regional Community, Tidewater Burners in partnership with WPA Gallery presents an exhibition in celebration of the growing Virginia Burner group. Transformation signifies growth and change. Greek philosopher Heraclitus stated that "the only thing that is constant is change." Everything goes through a continuous process of transformation; metamorphosis. This exhibition will explore ideas of transformation-both positive and negative, fast and slow, constant and variable. This can include personal, global, and environmental change as well as address ideas of growth and metamorphosis.

Eligible Artwork: Works in 2-D work and 3-D work created between the years of 2016-2019 will be accepted for review. Works in 2-D must be ready to hang for installation.

Artists are responsible for delivery and/or shipment to and from WPA Gallery. Accepted works may be hand-delivered or shipped by the artist. Pre-paid return and/or pick-up is the responsibility of the artist. Return shipping label should be enclosed. Artwork must be received no later than April 1st

Statement of Liability: WPA will provide insurance for all work while it is on the premises. Artists must provide their own incoming and outgoing shipping insurance. WPA is not responsible for damage due to improper packing or creation of work using non-archival or unsafe materials.

Contact wpagallery@wparch.com for questions.

*Submitted images from accepted artists may be used for publicity.

Deadline to apply: March 1, 2019 11:59pm
